

Notice to All Golfers

Please note that in teams of 3 or 4 Competitions, Scorecards returned must be signed by the marker and one other member of the team to avoid disqualification.

Failure to return competition scorecards on 1 or 2 occasions will result in handicap adjustment by 0.1, and on a 3rd occasion will result in suspension from the following weekend's competition. This rule also applies to those players who declare their intention to play a supplementary card, and fail to return it before the next qualifying competition.
